60.         <h3>Here you can find public information about Gitega.</h3>↵
61.         <hr>↵
62.         <h3>Geography</h3>↵
63.         <p>Gitega is also the capital of Gitega Province, one of the
eighteen provinces of Burundi. It is located in the middle of the country, at
roughly the same distance between the commercial capital, Bujumbura on Lake
Tanganyika to the west, the Tanzanian border to the east—both at around 62
kilometres (39 mi)—and the Rwandan border, about 72 kilometres (45 mi) to the
north. It lies on a broad plateau surrounded by hills, a few kilometres
southwest of the confluence of the Ruvyironza and Rurubu Rivers. Ruvubu
National Park, the country's biggest, lies 26 kilometres (16 mi) to the east.
</p>↵
64.     ↵
65.         <h3>History</h3>↵
66.         <p>Gitega was at one time the seat of the Kingdom of Burundi
and remained as capital of the kings of Burundi (mwami) until 1966.</p>↵
67.         <p>The Germans founded the town of Gitega in 1912.</p>↵
68.         <p>In March 2007, President of Burundi Pierre Nkurunziza
announced that Burundi was planning to bring back its capital city to Gitega,
saying that it is in a better location for a capital than Bujumbura.</p>↵
69.         <p>On 24 December 2018, it was announced by Nkurunziza that
Gitega was to become the capital city of Burundi, pending only Parliament
approval. The expected parliamentary assent (given the President's CNDD-FFD
party comfortable majority in both chambers) arrived through a vote on 16
January 2019, with some ministries already starting the move two days later.
</p>↵
70.     ↵
71.         <h3>Transportation</h3>↵
72.         <p>Gitega was served by Gitega Airport, which is now defunct.
Gitega is served by four National Roads (Routes Nationales, RN): RN2 connects
it with Bujumbura through the northwest, via Muramvya and Bujumbura Rural
provinces. RN15 leads to the north of country, towards Ngozi and continuing on
to Rwanda, while passing through the ancient royal court of Gishora; RN12,
which separates from RN15 on the outskirts of Gitega, heads northeast to serve
the provinces of Karuzi and Muyinga. The last is RN3, which heads towards the
southwest towards Rumonge and Lake Tanganyika.</p>↵
